ERIC MAURER

*Engage Agro USA
Annapolis, MD*

MANTS is the show to come to in the Mid-Atlantic region. It's a one-stop shop to meet with customers, generate potential sales with suppliers, or begin to generate end-use demand for our supplier partners. The time of year is perfect – it's a no-brainer.

KAT JEDLICKA

*Gro-Getters, Inc.
Annandale, VA*

We've been coming here for over 20 years. It's the show we always come to, we never miss it. It's the best place for networking and locating new suppliers. It's always set up well. We love it so much, we bring the whole family.

MARK D'ANGELO

*Griffin Greenhouses
Tewksbury, MA*

This is definitely the premier show in the northeast. More people come to this show than all other shows combined. All types of people attend – landscapers, independent garden centers, nurseries, growers, etc.

KIRK QUILLEN

*Waynesboro Nurseries
Waynesboro, VA*

We've been here pretty much for every show, and have seen it grow over the years. We've been extremely pleased with the attendance and the leads that we get. There's no comparison to any other show, MANTS is the best.

GAIL PIURKOWSKY

*Echo Hills Nursery and Landscaping
Hume, VA*

It's very busy, and all of our contacts are here. The exhibitors are more local, and are the people we buy from. It's the best show for us.

JENNIFER VACCARO

*Living Landscape Solutions
Annapolis, MD*

I have never been here before. It's actually overwhelming, in a good way. It's very exciting to meet some of the people I talk to on the phone. And it's great to see what's out there and find new resources. MANTS works for me.

LARA MULVANEY

*Anne Arundel County Stewards Watersheds Academy
Annapolis, MD*

I'm impressed with the variety of the vendors, and all of the effort that has gone into the displays. I'm here to re-connect with people I do business with, and also to meet new suppliers and find out about new resources. Everything you can imagine is here.

BRANDON DRUFFEL

Dan Druffel, Inc.
Maineville, OH

This is my first time at MANTS. It's a huge show, with lots of great vendors.

JENNIFER WIES

Natural Facing
Baltimore, MD

I've been attending MANTS for 15 to 20 years, and this is our first year exhibiting. We were on a wait list for booth space, and since we are local, were fortunate to be able to get in at the last minute. The show management is very efficient – as soon as we were accepted in the show, their website was updated with our information. We're a new company with a new product, and we thought that MANTS would be really appropriate to reach the right audience. The exposure gives us great product recognition. The right people are here – buyers and decision makers.

TIM MCQUAID

Valley View Farms
Cockeysville/Hunt Valley, MD

I've been coming to MANTS for 27 or 28 years now. I come here because of the tremendous variety of products, both hard goods and green goods. You don't find a show as big as this anywhere else on the east coast. This is the show to attend. It has everything I'm looking for – water garden products, statuary, metal art, pavers, it's all here.

MARY THOMPSON

Foxborough Nursery
Street, MD

We come every year, but we missed last year because our baby chose to be born during MANTS. So we call Savannah the MANTS baby. She will have to come each year from now on to celebrate her birthday.
