“MANTS continues to drive traffic and brand awareness to the decision makers on the buying side in ways that other shows can only wish for. The MANTS staff and Baltimore Convention Center are also amazingly easy to work with on a 1-on-1 basis for any and all questions and needs. The overall feeling of the show is all business, but in a very comfortable friendly manner, which is why they have a waiting list to get in. Once you're in, you won't want to leave!”

Greg Niewold, Owner, Power Planter

“We have been very pleasantly surprised with the traffic, and we had a great few days. We were consistently busy, wrote orders, talked with key customers, and met many prospects. Even with many impactful factors, the quality of customers and relations was impressive this year. During a time when we all need some positivity in our industry and our lives, we were thrilled to be a part of MANTS 2022, and were so glad the show remained in person.”

Tim Gartrell, Director of Sales, Aris Horticulture

“MANTS is a critical trade show for us because it assembles a group of growers that are on the leading edge of horticulture. During MANTS, we were able to have good discussions on the benefits of our technology with more nursery and ornamental growers than ever before. It was definitely a worthwhile event, and we hope to be here again in 2023.”

2022 TESTIMONIALS

“The show was GREAT! MANTS 2022 was the perfect way to start the year. The quality of attendees was as amazing as ever. We enjoyed time with the cream of the crop - the true decision-makers and were thrilled with the quality of conversations and business orders we prepared. Thanks for another great year! We're proud to be a sponsor for the 52nd year in a row! See you in 2023.”

Owner and CEO, Lancaster Farms*

“MANTS 2022 was as busy as ever for us. We wrote the same amount of business as a normal year at MANTS. We typically have three or four sales reps on the show floor, so as the only sales representative this year, I was occupied the entire time!”

Sales Representative, Lancaster Farms*

“We've been here for 10 years and MANTS has always been so rewarding, not only for strengthening relationships with our existing contractor and dealer customers but providing opportunities for new potential prospects to help grow our business. It's always an outpouring and a show we could not even think about not coming to even in these pandemic times. It takes one lead to make the show all worth it and it has happened again here. The quality traffic has been here at the show and that's very important.”

2022 TESTIMONIALS

“MANTS has always been the best show of the year for our companies. We meet the right customer base and prospects each year, and this year was no different. This was the perfect way to start off 2022. Thanks to the MANTS team for making the show happen, and providing the platform for great business connections.”
