MANTS is one of the largest private trade shows serving the horticulture industry and is widely known as the masterpiece of trade shows. Over three days, MANTS creates a valuable space where businesses can connect with clients they rarely see, network with potential customers, debut new and exciting products, and write orders for the upcoming season.

“I’m proud to carry on the tradition started by the visionaries who foresaw the need for enhanced networking and business opportunities amongst the green industry,” said Vanessa A. Finney, MANTS executive vice president. “Since our first year, MANTS has been exhibitor-focused, attendee-driven, and business-centered, and we can’t wait to see everyone in Baltimore in January.”

Early bird pricing for attendees is \$20 per person through December 2, after which admission is \$30 per person. Pricing includes admission to all three days of the show.
